Autumn Term 2016

'Inventors and Inventions' has been our topic this term. Every class has taken a different aspect of the topic and had lots of fun learning new things about how things work and famous people and inventions. The Early Years and Reception looked at Florence Nightingale and had an exciting time dressing up and applying bandages! The last 2 weeks have been taken up with Christmas activities, signed singing and trips to Barton Grange.

Mrs. Bonney will be retiring at Easter after many years as Headteacher. We would like to thank Mrs Bonney for all her years of service to the school and wish her a long and happy retirement!

Congratulations to Mrs Hennefer who will be taking over in the Summer term. We wish her every success in the future.

Best wishes and thanks also to Ms. Veney who is starting a new job in January. We hope she will be very happy as she moves on in her career.

Many thanks to everyone who could come along and support our Christmas events. If you missed the Christmas Show – 'Jesus's Christmas Party' there are some photos on the web site - www.royalcross.lancs.sch.uk

The PTFA organised a very successful Frosty Fair and family lunch. Everyone had a great day and the PTFA have so far raised over £294.58. Many Thanks to all the PTFA for their hard work and to all our families who came to support it.

We are hoping to put on a fashion show in the Spring term. More information to follow in the future.

The school council helped to organise our Children in Need event and school raised £45.75. Thank you for your support!

Thank you to all our families for supporting the Christmas Raffle that raised £115 for school!

Signed singing raised £116.04 at the Pig and Whistle and £453.47 at St George's Shopping Centre.

At the beginning of December Krazy Kat came to school with their production of 'Rapunzel'. Thank you to the PTFA for funding this performance. They are a super signing theatre troop and the children had lots of fun.

KS1 have been learning about old and new toys in history. They went to visit Toys R Us to compare new toys with old ones. Guess which they preferred.....

Mrs Parveen's class have been looking at online safety as part of their computing work and inventing their own musical instruments which they played for staff and children!

The Early Years have a brand new wild garden area surrounded by a living willow hedge. This has been developed to give all our children more 'hands-on' opportunities to grow plants and vegetables. We will be having wild flower planting in the spring and will be keeping a Dojo 'blog' as this project develops....

Mrs Harding's class had an exciting time when they joined another school to take part in a Google project. This involved trying out the new virtual reality technology and software and exploring new world! This was a super opportunity for the children and they had a fantastic time.

Don't forget to check out our website at: www.royalcross.lancs.sch.uk for information about the curriculum, school policies and events.

***Thank you for all your support.
We wish you a very Merry Christmas
And a Happy New year***

School re-opens on Monday 9th January 2017
