Previously Looked After Children – New Duty

Dear Parents and carers,

Schools and local authorities have a new duty, required by the Department of Education, to promote education, progress and achievement for previously looked after children. These are children who may have been adopted, placed on special guardianship orders (SGOs) or a child arrangement order (previously, Residency Order) from care.

These new duties recognise that children who have previously been in care may well require additional support as a result of their life experiences prior to being adopted or placed in permanent families.

Schools are currently allocated additional funding for this group of pupils, called Pupil Premium Grant Plus, and this will continue.

The new duty involves:

- Appointing a member of staff (a qualified teacher) as the named person to lead within the school on promoting education progress and attainment for previously looked after children.
At Royal Cross this is Beverley Hennefer, Headteacher & DSL & Designated Teacher for Looked after Children.
- Ensuring school policies consider the needs of potentially more vulnerable pupils.
- Using the Pupil Premium Grant + effectively to support progress and achievement for these pupils.
- Tracking progress and attainment.
- Providing advice, support and information to parents and guardians.

The local authority duty is to provide advice, information and guidance to schools, parents and guardians. The Lancashire Virtual School will lead on the local authority duties. They can be contacted by email virtualschool@lancashire.gov.uk.

In order for a school to access the additional funding and provide any additional support required, they need to know which of their pupils have been adopted, are on SGO s or subject to a child arrangement order, from care. This enables the school to claim the funding when they complete the school census. Only children who had a period in care

prior to being adopted, placed on an SGO or a child arrangement order, are eligible for the funding.

If you have adopted a child, or care for a child through a special guardianship order or a child arrangement order, and the child was previously a child in care (in any local authority in England and Wales or in state care in another country) –and you wish school to be able to access additional funding to support their progress and attainment please contact our designated member of staff for previously looked after children:

- School may require a copy of the adoption, SGO or Child Arrangement Order (previously, Residency Order) certificate.
- This information will be held securely and will only be accessible to those school staff, when necessary, to enable the support to be provided.

If you have any questions regarding this, please contact Beverley Hennefer.

Thank you.

Yours sincerely.

Bev Hennefer
