

Royal Cross Primary School

Lancashire's school for deaf children

Dear Parents / Carers

What to send into school

We are looking forward to welcoming each child into school and here is some information on what to bring and what NOT to bring.

Please send in ...

PE Kits. We will not use them until next week (ensuring 72 hours have passed). We will keep them in school until half term.

Personal care equipment such as pull ups/nappy sacks/wipes/spare clothes for 'accidents'. If your child needs this equipment please send in a good supply in a sealed bag. We will keep them in school and let you know when we need additional supplies.

Packed lunch - IF that's what you prefer for your child. School dinners are back on from this week, however it will take a couple of weeks before hot meals are available - so school will be providing packed lunches as the school meal.

Personal water bottles - to be kept in school and sent home at half term.

Please DO NOT send in ...

Toys.

Soft toys - (sorry for the new starters!)

Book bags.

Books

Homework.

Pencils or pencil cases. Each child will have their own pencil supplies allocated to them on their desk space.

This is not my usual information on what to send into school but for now these are the conditions that have been set down for schools to follow.

If you are unsure or need to check anything at all - staff are in school today and responding to class Dojo.

Thank you!

Bev Hennefer
