

# Homework Map Sycamore Class

## Autumn Term

### English

Make Gingerbread Men and decorate them as family members! Take photos and send the on Dojo! Then read or watch the Gingerbread Man with your family.

You could read Goldilocks and the three bears and make the porridge from the story. Take photos and send them on Dojo!

### Science

Do you have any family pets? How do you look after them? What is their name? Draw a picture of your pet and try to label its eyes, nose and mouth.

If you don't have any pets what animals do you like? What do they look like? Create a picture.

### DT

Design and make your own house using junk model. What would you have in your house? What number would there be?

### History

Create a family tree of your family. It can be the people who you live with or it can include other people from your family like grandparents, aunts and uncles?

You could draw it or make it in a creative way! Stick your work in your Home Learning Book or send it in!

## The Sycamores

### Maths

Can you play any board games with your family/friends that involve counting? Games like snakes and ladders, dominoes. Take photos and send them in on Dojo.

Can you bake some cakes measuring out the ingredients you will need? Make something for Little Red Riding Hoods Grandma!

### Art & Design

Make a portrait of someone in your family. You can use pencils, crayons, paint, junk model, food.

### Computing/Maths

Practise counting and matching numbers on the Gingerbread Man game on TopMarks.

[The Gingerbread Man Game - Counting, Matching and Ordering game \(topmarks.co.uk\)](https://www.topmarks.co.uk/Gingerbread-Man-Game)

### P.E.

Go for a walk with your family or friends and do something active. Take photos. Send them on Dojo so we can talk about what you have done as a family. Remember getting exercise makes us feel happier!
