Review of attendance figures

Dear parent/carers

I would like to thank all parents for the improvement in pupil attendance so far this year. We have seen a good improvement in pupil's regular attendance and a decrease in requests for term time holiday leave.

This is helping to improve the school's overall attendance figures when we have our regular meetings with the local authority attendance officer.

I also appreciate parents ringing in to school promptly to let us know when a child is ill and unable to come to school. This helps with keeping statutory information about attendance and in ordering the correct dinners for the day.

The happiness and educational progress of all our children at Royal Cross are our main priorities and we believe that good attendance is a major way in which these priorities can be achieved. It is for this reason that we ask and appreciate your support in this matter.

If you would like any advice in relation to attendance please do not hesitate to contact school

Yours sincerely
