

Royal Cross Primary School

Lancashire's school for deaf children

Dear Parents/Carers

At Royal Cross Primary School, every individual is valued for who they are and what they contribute to our school.

To help with this we would like to develop a set of **core school values**. These values will go on to underpin our whole curriculum and school life. These values will be the principles that drive behaviour, influence actions and attitudes.

These values promoted at Royal Cross Primary School will be values which are important within the school community and which will be important throughout life.

To develop these values, we would like to involve all members of our school community so that there is a shared understanding of what is important to Royal Cross.

I would like to ask parents/carers/family to contribute **5 one-word values** that you think will help all our children to learn, grow and achieve!

You can fill in the slip below and return it to school, or if easier text your ideas on your class Dojo.

Together with children, staff and Governors we aim to develop a list of core values that will be used to underpin our curriculum and school life.

Thank you for your help.
