

Royal Cross Primary School

Lancashire's school for deaf children

Dear Parents / Carers

I would like to raise awareness of the online access that all our families have to quality reading resources from home.

This is called BUG CLUB ONLINE READING RESOURCE.

www.activelearnprimary.co.uk/login?c=0

What is BUG CLUB?

Bug Club is your core reading programme from Reception through to Year 6 (4-11-year olds). It is an online resource that families can access from home on a laptop, PC or Tablet.

It has over 590 finely levelled titles, available in print and eBook format and a unique online learning platform with in-built assessments.

It has been researched and designed to appeal to 21st century children, combining books children will want to read with an online reading world complete with virtual rewards.

How can you access this resource at home?

Children each have their own log on fro BUG CLUB.

1. User name:
2. Password:
3. School Code:

This will allow them to access the online library of various reading books. Your child then has an allocated list of books to read and respond to questions. On completion of each book they will earn virtual rewards. Each class teacher will be able to track your child's progress and share their success in school.

If you have forgotten your child's log in details – contact your class teacher who will be able to send them out again.

Will I have to pay?

No. This is FREE to you because we believe that having access to quality reading books at home helps to improve children's reading.

School pays an annual subscription of £425 for our families to access this resource. Currently there are very families using this and we would like to remind families that this is a free resource available to everyone.

The children that do use it really enjoy the books and the rewards they get for completing their allocated books.

If you need any help with accessing this please contact your child's class teacher who will be happy to help and support you.

Thank you
Bev Hennefer
