

Royal Cross Primary School

Lancashire's school for deaf children

Dear Parents and Carers

September update ...

Today the staff have been busy working on classrooms for September. We have moved tables and chairs and are now thinking ahead to how we organise our separate entrance and exit points for our new class bubbles.

We are delighted to share that our numbers of children are significantly up for September and we will have up to 27 children in school. This has allowed school to set up an additional 5th class group that we will call Oak Class. This will also mean welcoming some additional new staff to Royal Cross. I will share more details of this once everything is finalised.

Tomorrow we will be contacting all our families with information about new class groups and staffing teams. We will email letters out during the day and if anyone cannot access emails we will contact them by phone and send out letters by post.

We are really looking forward to welcoming ALL our children back in September along with our new pupils!

We will also be celebrating our year 6 leavers next week with some special 'virtual' events more information next week!

Take care
