

Royal Cross Primary School

Lancashire's school for deaf children

Dear Parents / Carers

Drop off and pick up arrangements for school.....

We have set up 5 different class bubbles for our children and to help with this we have identified 5 different entry / exit points for these classes.

This means that drop off / pick up may be a little slow this week as everyone gets used to the new arrangements. If you are a parent / carer bringing in your own children I would ask that you allocate additional time for this and to be understanding with staff as we set up these new arrangements.

To help Mrs. Reilly and Mrs. Johnson will be on duty from 08:45 to direct taxi transport to the correct points.

This means that to control traffic on school safely there will be a system of one entry point onto school (main road opposite houses) and one exit point.

Today we will be contacting taxi firms to let them know about these new arrangements.

I'm sure it will only take a few days to get used to this new 'normal'!
